Dear Applicant,

Trinity is offering scholarships for students currently enrolled or entering into college or trade school. Please review the guidelines below and fill out the application. Return the application to the church office or email it to students@trinitypbg.org along with your personal essay and photo as soon as possible so that the scholarship committee can make selections for the coming school year. **The deadline is April 4, 2019 by 5:00 PM. Any late or incomplete applications will not be processed.**

Favorable consideration will be given to students

- Holding active Trinity membership for at least one year prior to applying
- Having active membership in Student Ministries at Trinity United Methodist Church or Campus Ministry
- Participating in one or more extra-curricular activities in high school, college or in the community

Required along with your application:

- A written goal statement
- Submit an essay that describes your Christian faith and explains how your experiences at Trinity United Methodist Church have helped you through your life experiences.
- Submit one recommendation letter from a staff member, church member (not a relative), high school educator, college professor or employer
- Current photograph with application

Guidelines for person writing recommendation letter:

The person writing the letter of recommendation will describe, in as much detail as possible, the applicant's involvement in church and community, experience, abilities and leadership (or leadership potential). Your letter of recommendation, signed by you, **should be returned to the applicant** to be enclosed with other applicant requirements (i.e. transcript, essay). If there is a problem with this requirement, please contact Jonathan Deyling at jdeyling@trinitypbg.org or Carolyn Van Ess at cvaness@trinitypbg.org or contact the church office at 561-622-5278.

Our scholarship committee will review all applications and notify recipients of awards well in advance of the fall school term each year. Best wishes and continued success,

Scholarship Application
